APPLICATION FOR MISSIONS AND NEW MINISTRY GRANT

Does your church have a vision to do something new and creative, but are short on funds? Has God placed a dream on your heart, and now you are waiting for God's provision? There is no time like the present to follow where God is leading you and your church in order to make a difference for the "transformation of the world". The Northern Waters District is excited to be able to continue to offer grant funding for district churches that are engaging in new ministry opportunities, ongoing ministries that are vital to the community, and mission trip participation for first time missionaries! Past grant awards have ranged from a few hundred dollars to \$5000, thanks to the ongoing support of local churches, through payment of Ministry Shares. Where is Christ calling you to serve and witness to God's love? Join us in taking risks for the sake of the Kin-dom of God.
